Secretary,
Central Recruitment Board.

Sl. No. of the consolidated statement, where percentage of non-brahmins was comparatively low.	Name of Unit Office.	Percentage of the Backward communities in the Ministerial Establishment.		Executive establishment.		Reasons.
		30th June 1931	31st December 1930.	30th June 1931	31st December 1930	
2	Comptroller to Government.	29	32	-	-	The decrease is due to the exclusion of attenders from the statement. The percentage of non-brahmins excluding attenders in both the half years would stand at 26.01 and 29.57 only.
3	Secretary, Mysore State Life Insurance Committee, Bangalore.	48	52	-	-	According to the revised figures sent later in some other connection, the percentage of the Backward communities was 53.63 on 30th June 1931 as against 51.36 in the previous half year.
4.	Superintendent, Revenue Survey.	11	17	24	23	The decrease is due to the transfer during the half year ending 30th June 1931 to the Record of Rights establishment of several recruits belonging to the Backward communities who had been first appointed in temporary vacancies in the ministerial establishment.
6.	Deputy Conservator, Mysore.	22	27	40	40	Owing to the reorganisation of the Revenue Department, 18 heads were retrenched during the half year and the recruits that had recently entered service were displaced. Also, other recruits ceased to continue owing to the return of the permanent incumbents.
7	-do- Bangalore.	27	28	49	50	The decrease is due to the exclusion of 23 heads in the ministerial establishment and 33 in the executive establishment retrenched during the half year.
8.	-do- Kolar.	33	35	65	67	A few non-brahmin officials were on other duty or on leave in June 1931.
9.	-do- Chenna.	22	23	39	34	The decrease in the ministerial establishment is due to the reduction of 10 heads in the Revenue Department and

the exclusion of the Ministerial establishment of the Police Department which formed ~~into~~ a separate unit. The decrease in the executive establishment is due to the exclusion of the Executive subordinates of the Police Departments/and also the Excise Inspectors and the Registrars.

The decrease is due to the absorption of seven hands retrenched in the reorganisation of the Revenue Department in the vacancies in which Backward community candidates were -- posted and the transfer of some of the B.C. candidates to -- Malnad Districts.

The decrease is due to the inclusion of the officials of the Registration and Excise departments who were not included during the half year ending 31st December 1930.

All the five Brahmin Excise Inspectors who were being excluded from the statement of previous half years have been included in the statement for the half year ending 30th June 1931. Besides, one of the non-Brahmin Revenue Inspectors -- were on leave during the half year.

The decrease is due to the transfer of officials from the Revenue Department to other Departments and vice-versa, in connection with the re-organisation scheme. Also owing to reduction of hands in all the Revenue offices, competent -- officials having previous experience of revenue work were -- selected and this increased the percentage of Brahmins by 2.8

In the "C" statement for 31st December 1930 the number o vacancies also was taken into account for striking the percentage while in the statement for the 30th June 1931 they -- were excluded.

One Lingayat clerk attached to the Health Prentitioner, Tumkur, reverted to his original Amanuensis appointment in the -- District Office, Tumkur. Another Mohamedan clerk resigned his post and this was kept unfilled. The Executive post of one Kshatriya Assistant Sanitary Inspector was appointed as

26.	Excise Commissioner.	40	30	58	60
27.	Commissioner of Income-tax.	32	31	33	32
28.	Commissioner of Stamps.	36	30	-	-
29.	Director of Industries & Commerce.	38	43	63	64
24.	Director of Agriculture.	31	33	46	40

lerk of the Sheria Station, Madigere, another Sahibliga was leased under Schedule by over sight, another other caste Hindu Vill. Stamp Sheith Officer retired from service. Also some officials who were omitted during the previous half year were taken into account on account of the schedule of establishment and the number of vacancies was excluded for calculation of the percentage.

A Brahmin Inspector was posted to Kolar in place of a non-Brahmin who retired. Another Brahmin Excise Inspector was transferred to Tumkur District in place of a non-Brahmin. Also a true marker was temporarily appointed as acting petrol Sale Inspector. In the Chitaldrug District, a Brahmin was by mistake classified in the "C" statement under reference in lieu of one Venkanna, a Lingayet official.

At the half year ending 31st December 1930 one Lingayet was acting in the post of the Record-keeper while during the half year ending 30th June 1931, a Brahmin was appointed in the that vacancy after advertisement.

During the half year ending 31st December 1930 a non-Brahmin was acting in a leave vacancy which ceased in the half year ending 30th June 1931 consequent on the return of the permanent hand who is a Brahmin.

There has been a difference of .055 in the Executive Establishment, which is very small taking into consideration the total number of such appointments held i.e. 276. Regarding the ministerial establishment, the difference is due to temporary arrangements ordered pending disposal of vacancies under C.S.R. rules and also due to the absorption of certain thrown out Brahmin officials.

The difference in the ministerial establishment is due to a mistake in the compilation of the statement for the half year ending 31st December 1929 as only 19 Brahmins were shown as working while the actual number was 24. Also a vacancy in the Mycology section was filled up temporarily by a Brahmin candidate. Regarding the Executive staff 10 posts of Warriors of the Civil Veterinary Department was reckoned by mistake during December 1930.

38.	egistrar of co-operative Societies.	40	39	45	47
39.		45	45	-	40
42.	Chief Engineer, M.P.C. Force.	22	20	16	19
43.	Chief Engineer in years.	58	53	45	46
44.	Superintending Engineer, Yeara Circle.	32	24	77	29
46.	Auditor, Mysore Railways.	77	28	67	67
50.	The Chief Store-keeper.	21	17	29	22
52.	Local Carriage Superintendent.	29	22	40	29
	President, Sanitary Board, A.'.P.	30	47	33	31

The four posts of Assistant Inspectors of Co-operative Societies held by persons belonging to Backward communities were retrenched while the number of Brahmins during the two half years remained stationery.

The decrease is due to the termination of services from 11th March 1931 of the two temporary non-Brahmin field assistants.

During the half year ending 31st December 1930 those who were holding temporary appointments were not taken into account for calculation of figures in the "C" statements.

The variations in the percentage are due to transfers and retrenchments.

The decrease is due to the recent transfers ordered in the interest of Government work.

One Shorthand Typist who was working during half year ending 31st December 1930 resigned the place during the next half year i.e. 30th June 1931.

A Brahmin clerk from Office Establishment was transferred to the Executive Establishment in place of a person belong to a Backward community and hence the Backward community official was transferred to the office establishment.

One Nehatria borne against Head Office establishment was transferred to Executive Office establishment.

The permanent Brahmin incumbent who was on leave and in whose place a Lingayat was acting, returned. In the Executive establishment the number of the non-Brahmin official was the same while there was an increase in the percentage of the Brahmins who returned from leave and whose places were not filled during the half year ending 31st [illegible]

63.	President,	District Board,	Tyaora.	25	25	29	25	The decrease is due tothe fact that the services of one Tranid vaccinator, Yalandar, were taken over by the District Board.ent
64.	-do-	-do-	Chimsga.	43	32	40	70	The decrease is due to the entertainment with the approval of Government of 3 Dranain Sanitary Inspectors, during the -- half year ending 30th June 1931.
65.	-do-	Town Municipal Council, Latur.		25	11	DO-	87	1 Drahmin Pili collector who was by mistake included in the establishment during the previous half year was included under executive during the next half year i.e. 30th June 1931.
